

ARNIE REDSICKER

Board of Director

Arnie Redsicker is President of ROSTA USA Corporation and has more than 40 years of experience as a leader in the manufacturing industry. Working in companies with hundreds of millions in sales and small private operations with only a few employees, Arnie has used his expertise in finance, marketing, and change management to transform struggling companies into profitable ones.

Passionate about workforce, community and economic development, Arnie has served on the Michigan Works! Berrien, Cass, Van Buren Workforce Development Board, which now does business as Kinexus, for more than twenty years. He served as chairman for nine years and currently serves as vice chairman. During his tenure, the board has doubled its budget and added dozens of services for employers, jobseekers, and youth.

Credited with developing the demand driven model for workforce development presented in the business solutions professional training, Arnie has also been an advocate for a demand driven workforce system at the national level. He has presented to a variety of stakeholders including government officials, educators, economic developers and other workforce development organizations throughout the country.

Arnie was named the business person of the year by the South Haven Chamber of Commerce in 2011. Later that year, Governor Rick Snyder appointed him to his Talent Investment Board. The Michigan Works! Association honored him with the Ralph Loeschner Outstanding Service Award in 2010.

Arnie holds a bachelor's degree in accounting from Ithaca College.
